

Health & Safety Policy Statement

Liverpool Services considers the Health and Safety of our staff, our clients and the general public to be of the utmost importance. The purpose of this statement is to focus all staff on the importance of health and safety and to outline broad guidelines as follows:

- to prevent accidents at work and cases of work related ill health
- to manage and control health and safety risks arising from our work activities
- to provide clear instructions and information to our staff and to provide them with adequate training to ensure that they are competent to do their work
- to provide our staff with all necessary personal protective equipment, all to international standards and to ensure that such equipment is periodically checked to maintain efficacy
- to ensure that staff are all aware of hazardous substances that may be used in our work and are able to handle such substances in a safe and competent manner
- to maintain safe and healthy working conditions
- to establish emergency procedures and accident reporting and to train all staff in such procedures
- to regularly review and revise this policy where needed
